∨ School Overview ∨

Mission

Capitol School is a Success For All school. Our goal is to provide all students with learning experiences that enable them to read at grade level by third grade. We are committed to provide students with learning experiences that are meaningful and relevant. Parents, together with the school community, work together to increase student achievement. Children are expected to think critically, use technology, and interact effectively with others.

Organization and Philosophy

w Student Focused/Clear Expectations

- w Value/Respect Diversity
- w High Expectations for All/Team Teaching
- w Involve and Nurture Parents/Community

Instructional Programs

- W Reading: Success For All/AR
- w Math: Cognitive Guided Instruction
- W English as a Second Language
- W Writing: Process/Six Trait Writing
- w Science: Life and Physical
- w Social Studies: The World Around Us
- W Health: Individual/School/Community
- W Special Area: PE/Art/Music/Media

School/Academic Goals

Grades: K-6

- w Student Achievement in Reading: Sts. attending Capitol for 3 continuous years, w/90% attendance rate will read at grade level within 3 years. Students' instruction aligned to AZ Rdg. Standards. Students prepared to meet/exceed AZ Rdg. Standards.
- W Student Achievement in Math: Teachers aligning instruction to the AZ Academic Standards in math. Grade-level teams determining skills to be taught by quarter, and identifying assessments to match the performance objectives for each math standard.
- W Student Achievement in Language: Students prepared for academic success by focusing on specific skills tested on Stanford 9 in language arts. We are driving instruction to increase number of sts. performing at/above 50th percentile on Stanford 9.
- w Student Achievement for English Language Learners: Instruction being provided in English in all subject areas. Implementation of instructional strategies, considered best practices, will result in Second Language Learner's acquisition of English.

∨ Shared Responsibilities ∨

School -

Our goal is to treat everyone with respect, value all ideas and suggestions, and create a safe and orderly environment for all students. We work toward keeping parents informed of their child's academic and social progress. Discipline is applied in a fair and consistent manner. We strive to deliver instruction that results in student academic success.

Parents -

See that child is punctual and attends school daily. Support the school in its efforts to maintain proper discipline. Establish a time for homework and review it with student. Provide quiet and well-lit place for study. Encourage child's efforts and be available for questions. Stay aware of what child is learning and needs to learn. Provide a library card for child. Read to child and allow child to read to parent. Volunteer a minimum of twenty hours per school year.

∨ Transportation Policy ∨

Students living outside a one-mile radius are transported to and from school. New students are transported to District Welcome Center. Each class is allowed one district-transported field trip per school year. Students receiving special education services from outside agencies are transported directly from their home to designated school.

∨ Indicators of Success ∨

Information provided on this page is based on historical data, primarily from the previous school year, 2000-01.

2000-01 School Achievements/Accomplishments

- W Restructuring of Kinder program provides students with greater learning opportunities. Sts. receive cognitive-guided instruction in math. Early learning is a day-long literature-based curriculum that has been implemented and continues to be refined.
- W Students in uniform has become an expectation for Capitol School students. Parents, staff, community partners, and students were successful in implementing a mandatory uniform policy. Students take pride in wearing their Blue and White.
- W Capitol School is a Success For All school. Reading instruction considers the academic needs of all students. A Family Support Team comprised of school staff works with teachers/parents in addressing student needs for greater academic achievement.
- W Community partners continue benefiting kids.
 Quarles & Brady/Streich Lang has funded
 computers/software/books to support reading prog.
 Gateway Kiwanis recognizes outstanding
 behavior/academic achievement, provide leadership
 for school-based K-Kids.

∨ School Honors ∨

Awards or special recognition honors received by the school, staff or students:

Award/Honor	Year
Chicanos Por La Causa, Esperanza Award	2001
Mayor's Partnership Award Honor Roll	1999
Kiwanis TERRIFIC KID Award	1998 1998
National Recognition, Prototype School	1998

³ Transfers Out: Percentage of accountable students withdrawing to continue studies in another school or to be taught at home for the 2000-01 school year.

⁴ Transfers In: Within District: Percentage of accountable students entering school who were previously enrolled in another Arizona public school within the school district during the 2000-01 school year. Out-of-District: Percentage of accountable students entering school who were previously enrolled in another school district during the 2000-01 school year.

⁵ Promotion Rate: Percentage of students promoted to the next grade or who met graduation requirements and received a traditional diploma at the end of the 2000-01 school year. Percentage includes students who left school at age 22 or who had completed school and received a non-traditional diploma.

⁶ Retention Rate: Percentage of students retained at the end of the 2000-01 school year.

⁷ Dropout Rate: Percentage of students counted as withdrawn due to chronic illness, expulsion or dropping out during the 1999-2000 school year, to include activity during the summer of 2000. This rate includes students who were withdrawn after 10 consecutive days of unexcused absences or were coded by the school as "status unknown." The Promotion Rate, Retention Rate, Dropout Rate and Status Unknown Rate may not add to 100% due to the inclusion of summer activity in the Dropout Rate and the Status Unknown Rate but not in the Promotion Rate and Retention Rate. Data for 2000-2001 is not yet available.

⁸ Status Unknown: Percentage of students unaccounted for by any method during the 2000-01 school year. Status unknown students are not necessarily dropouts.

∨ Academic Achievement Indicators ∨

Arizona's Instrument to Measure Standards (AIMS) is designed to measure student achievement of the Arizona Academic Standards. Effective with the high school Class of 2006 (eighth graders in 2001-02), students must "Meet the Standard" or "Exceed the Standard" on all portions of AIMS or pass an AIMS Equivalent Demonstration (subject to approval by the state Board of Education) in order to be eligible for a high school diploma. High school students who did not attain "Meets the Standard" or "Exceeds the Standard" in reading, writing and mathematics will have additional opportunities to retake the test in their junior and senior years. Students in grades 3, 5, and 8 also take AIMS.

\lor Mathematics Education and AIMS \lor

On April 24, 2000, the state Board of Education amended the high school graduation requirements to include the following: "Effective with the graduating class of 2004, the two required math credits shall be taken consecutively beginning with the ninth grade and course content shall reflect Academic Standards preparation for proficiency at the high school level." Parents should verify with the school that their ninth grade students are enrolled in one or more mathematics courses that provide instruction in the state Board-adopted mathematics standards that lead to proficiency in high school. Students who begin the ninth grade during the 2001-02 school year should be enrolled in a mathematics sequence that is aligned to the state's mathematics standards and includes instruction in the concepts and performance objectives that will be assessed by AIMS. The Board's amendment to the high school graduation requirements should not be interpreted to mean that all ninth grade students must be enrolled in any *particular* course. **The Board's intent is to assure that all ninth grade students are enrolled in courses that prepare students for success on AIMS**.

²Class of 2003 is the cohort of students who began 9th grade during the 1999-2000 school year.

∨ Academic Achievement Indicators ∨

In 1997 and 1998, students in grades 3 through 12 were tested in reading, language and mathematics using the standardized, nationally norm-referenced *Stanford Achievement Test, Ninth Edition* (Stanford 9). In 1999 and 2000, students were tested in grades 2 through 11. **Students were tested in reading in grade 1 and reading, language arts and mathematics in grades 2 through 9 in 2001.** The percentage of eligible students tested (%) and the school's percentile rank score are presented below. State percentile rank scores (AZ) are provided for comparison. Also, note that the percentile rank scores for the nation are 50 for all content areas in all grades.

Under the Family Educational Rights and Privacy Act of 1974 (FERPA), no individually identifiable references to students may be made. Therefore, items of data containing information about fewer than ten students have been replaced with (**) to protect student privacy. ∨ Measure of Academic Progress ∨

Arizona's Measure of Academic Progress (MAP) is an indicator of student academic growth from one year to the next. The results are based on the *Stanford Achievement Test*, *Ninth Edition* (Stanford 9), given in 2000 and 2001. MAP includes only those students who were tested both years in consecutive grade levels at the same school or who started the school year in the same school in which they were tested in 2001. A student achieves One Year's Growth (OYG) if he or she remains in the same Stanine or advances a Stanine from one year to the next. The percentage of students achieving OYG at the school is reported below.

The MAP is an elementary school (Grades 2-8) indicator only.

	Reading	Math
	Percentage of Students Achieving One Year's Growth	Percentage of Students Achieving One Year's Growth
Grades 2-3	58	50
Grades 3-4	88	72
Grades 4-5	73	65

∨ School Safety ∨

The purpose of this section is to provide parents information about what the school is doing to promote a safe and orderly environment for learning. The 2001 Comprehensive Health and Prevention Program Survey Annual Report provides additional information on Health and Prevention Programs, School Safety and Security Measures, Policy Violations and Expulsions at www.ade.az.gov/ResearchPolicy/chapps/.

School-level Efforts to Ensure a Safe and Orderly Environment for Learning

Getting Along Together continues this year. The entire staff was trained, students have been taught the components and its' use is reinforced on a daily basis. Students are resolving conflicts by communicating their feelings and identifying positive ways of interacting with each other. Parents have learned about the curriculum and will be given the opportunity to be trained in its use. A Family Support Team ensures that all students have optimal learning opportunities.

Total number of incidents that occurred on the school grounds that required the intervention of local, state or federal law enforcement (A.R.S. § 15-746.6).

6

School uniforms are required at this school.

The Arizona Attorney General's Office has a hotline that allows students to report suspicious activities at schools and to get help with potentially violent situations, such as bullying, harassment, hate crimes, discrimination and gangs. The toll-free number, **1-877-900-1086**, is anonymous and available 24 hours a day.

⁹ Stanines are normalized standard scores that range from a low of 1 to a high of 9, with 5 designating average performance. National Stanines, like National Percentile Ranks, indicate a student's relative standing in the national norm group (Source: Harcourt Educational Measurement).
